Dear Chumpon,

It was very nice meeting you during your stay in Seattle, Washington. I hope the performances in Vancouver went successfully for you.

As we discussed in Seattle, we are interested in having a local (Bangkok) musician (s) of traditional Thai music to perform for the Pacific Rim Conference attendees at their evening function November 22, 1991 at the Central Plaza Hotel. The Organizing Committee also indicated that they would like to have a Thai dancer in costume accompany the musician for this brief (10-15 minute) performance.

The exposure to local and international participants would be an excellent opportunity for the musician whom you choose. Looking forward to your prompt reply.

Yours sincerely,

Craig Karpilow, MD, FACOM
Chairman
