Dear Chumpon and Nomadic Territories consular office,

By now you should be fully aware of the *en route* Cultural Baggage project that Catalyst Arts, Belfast are co-ordinating and we thank you for taking part.

Here is the case for you to install with your Cultural Baggage.

There are no restrictions in terms of what you want to do with the bag or what you want to place inside it. However please be aware of the weight as this will make them more expensive to post back.

Unfortunately we have not been successful in our attempts to get the cost of postage covered by courier company's and so would like to know if it would be possible for you to cover the cost of returning the suitcase, if this is a problem please let us know. We may be able to help you a bit however our funding is very small. Maybe if you know anybody who is traveling to Britain or Ireland in the near future it would be cheaper for you to send it from there.

The deadline for its return to Belfast is 25th September.

We look forward to hearing from you.

Yours sincerely

Toby Dennett
