Letter Inviting CHUMPON APISUK To Participate in an Art Exhibition at  
AMNUA

The Art Museum of Nanjing University of the Arts (AMNUA) has decided to invite CHUMPON APISUK (THAI, born on 07/11/1948, Passport Number:AB3240943) to participate in a group show entitled *Polyphony, Southeast Asia*, which will open on November 9, 2019. He will arrive in Nanjing on November 02, 2019 and be hosted at the NUA Hotel in Nanjing from November 02, 2019 to November 15, 2019, then travel back to THAILAND on November 15, 2019.

*Polyphony, Southeast Asia* will explore the practice of Southeast Asian contemporary art, and we believe that CHUMPON APISUK 's work would contribute greatly to the show. The exhibition is an excellent opportunity to present Southeast Asian contemporary art in China, and it would be a further step in CHUMPON APISUK' s continuing artistic engagement with China.

Your help in granting CHUMPON APISUK a visa for the project would be sincerely appreciated.

Sincerely, Li Xiaoshan
